Gentlemen:

Please be advised that I have been retained by the parents of [REDACTED] in connection with an incident which occurred at your camp on or about August 5 or 6, 1988.

As you know, the counselor, an employee of the Boy Scouts, has been indicted and charged with molesting [REDACTED]. As you know, the Boy Scouts of America had the duty to hire individuals who would supervise young boys who would not be homosexual or pedophile. My clients inform me that Mr. Coffey, in fact, has obvious homosexual tendencies, and therefore, the Boy Scouts should have known that this incident might occur.

I suggest you send this letter to your insurance carrier forthwith.

Sincerely,

Robert J. O'Neill

Dear Paul,

Following are some notes regarding the delivery of two letters.

TO: Carleton Tim Coffey:

Delivered, Saturday, April 16, 1988. His only response was something about suspecting that this is what the appointment was about. No other conversation. Duane Rhodes, Director of Support Service accompanied me in the absence of the Council President.

On Monday, April 18, he indicated to his district executive that he would be going through the appeal process; nothing in writing at this time.

TO: James Frederick Peetz:

Delivered Monday, April 18, 1988. He read it, commented that it was understandable, and asked if he could donate the \$5.00 to the B.S.A. I accepted.

John Larson, Sunset Trail District Chairman, accompanied me in the absence of the Council President.

That's all for now.

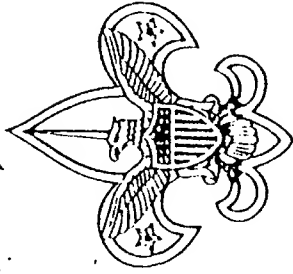

Sincerely,

Donald K. Chilcote
Acting Scout Executive

MEMORANDUM OF DECISION

REVIEW COMMITTEE

COLUMBIA PACIFIC COUNCIL - BOY SCOUTS OF AMERICA

SUBJECT: Registration of Carleton "Tim" Coffey

THE UNDERSIGNED, constituting the Committee appointed by the Council President to review an appeal by Carleton "Tim" Coffey, has reviewed carefully the material submitted to us by the Council Scout Executive in this matter.

Our review included a review of public records including court records relating to the case entitled State of Oregon v. Carleton Timothy Coffey, in the Multnomah County Circuit Court, Case No. C-85-03-30861; District Attorney Case No. 292969 as well as the applicable standards set out in the "Procedures For Maintaining Standards of Membership", (and particularly Appendix "D" thereto) published by the Boy Scouts of America under publication No. 57-105.

The Committee noted that all members of the Boy Scouts of America are registered for a limited period and must re-register at the end of that registration term. A registration is not effective unless approved by both the local Council and the National Office.

The Committee noted it was not the Committee's responsibility to determine whether the applicant was a decent citizen. The Committee's responsibility was to determine whether or not a denial of the applicant's registration was appropriate.

It is the Committee's decision that the denial is appropriate in view of the applicant's acknowledged prior conduct which, according to the public record in the above-described criminal court case, resulted in a conviction of a felony involving moral turpitude in which the victim was a minor child under the age of 12 years.

In view of the foregoing it is our opinion that the applicant does not possess the moral or emotional qualities necessary to afford positive leadership to youth and should not therefore be registered as a member of the Boy Scouts of America.

Respectfully submitted,

REVIEW COMMITTEE

Dear Mr. Coffey,

After careful review, we have decided that your registration with the Boy Scouts of America should be suspended. We are therefore compelled to request that you sever any relations you may have with the Boy Scouts of America. A refund of your registration fee is enclosed.

You should understand that BSA membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to suspend registration whenever there is a concern that an individual may not measure up to the high standards of membership the BSA seeks to provide for American youth.

If you wish to have this decision reviewed, please write to me within 60 days of the date of this letter, explaining your version of the facts supporting your claim that your registration as a BSA member should be granted or reinstated. The procedures for review are attached.

Sincerely yours,

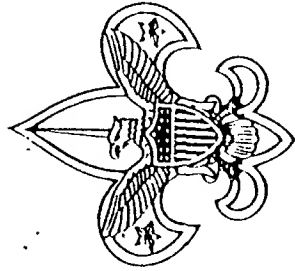

Henry L. Bauer
Council President

SUBJECT: Carleton Coffey

Dear Don:

This is confirmation of our recent telephone communication concerning the above-named individual. I am confirming, in writing, what we discussed at that time.

We do feel that the registration which we recently received for Mr. Coffey in Pack C3089 should be suspended. This individual's record is such that this could cause serious problems for the Boy Scouts of America should any further legal matters develop.

I am asking that you send Mr. Coffey a letter suspending his registration and indicating that he cannot be registered in the future with the Boy Scouts of America. I believe this is the proper way to go after discussing this matter with management in the national office.

We are refunding the registration fee to you through the issuance of a Credit Notice in this office. This will be sent when we clear our file of those items.

Please do not hesitate to contact us if you have any further questions.

Sincerely,

Paul Ernst, Director

SUBJECT: Carleton Coffey

Dear Don:

We recently received a registration for the above-named individual in pack 03089. This individual was placed on the confidential file in late 1986.

We had written to you in December of 1987, asking if you really still wanted to continue registering Mr. Coffey since the present legal action makes situations more precarious. We are still waiting for a response to determine if we should have him deleted completely.

I will hold this information with no further action until we receive your response.

Dear Don:

We are rechecking all our files and discovered that the above named individual is registered at the present time in Pack C3089 as the Cubmaster. Since he was placed on the confidential file during last year, we wonder if you want to continue registering him at this time.

I know we had previous discussion concerning this matter but in light of today's legal action, I wonder if you want to continue with a probationary status or refuse him registration all together. I do feel that if what he was accused and convicted of are true, then we are living on the edge of a serious concern.

I would like to hear from you concerning this matter so we can decide on a future course of action.

Dear Paul,

Attached are copies of court proceedings related to a volunteer Scouter in the Columbia Pacific Council. Carleton Timothy Coffey is currently registered as Cubmaster and Unit Commissioner.

Based on these materials, I am asking for your assistance in how we should handle this one. According to the district executive that serves that area, Tim is a good volunteer. It also appears that he is involved only in the adult activities and is not involved working directly with youth.

I will await your suggestions.

SUBJECT: Carleton Timothy Coffey

Dear Don:

In December you sent us material concerning the above-named individual. This material included a plea of guilty and a placement on probation for a period of five years.

At that time, we asked for a Confidential Record Sheet so that we may identify Mr. Coffey should he try to register in some other location. We still feel he should be placed on the confidential file, at least in a probationary status. This is the reason that it is necessary to have a record sheet giving his personal information.

I would also like to know what has happened since December related to his registration. Is he still registered with your council or has he been terminated by this time?

Thank you for your help in this matter.

Sincerely,

Paul Ernst, Director

SUBJECT: Carleton Timothy Coffey

Dear Don:

This is in response to your letter of December 2nd concerning the above-named individual. I appreciate the material which you sent us, as it is very helpful to us in evaluating the situation.

Based on the information which I have read, I assume this is basically a matter of incest, since I assume that this individual was either a daughter or a step-daughter. According to the information that was sent, there apparently were no involvements with other youth.

You asked how we should handle this, and at the present time, I would respond that I do not think he should be registered. My concern is that any relationship with Scouting will eventually lead to relationship with youth in some manner. This may not be a normal relationship in the sense of being a position that normally deals with youth, but sooner or later we all become involved with youth in one way or another if we are involved in Scouting. I also am deeply concerned as to the reaction of parents when they learn that this situation has occurred, and we still have an individual serving as an adult leader.

I would, of course, abide by your final decision in the council, but my recommendation would be that we try to phase the individual out in a kind manner and place him on the Confidential file, at least in a probationary situation. This would mean that he could register if he tried at a later time, but we would tell the Scout Executive of the council of the situation so that that council could make the necessary decisions related to using him as a volunteer.
